

## Do You Know?

Yes(✓) /  
No(x)

- 1) You can buy unit trusts either through a Unit Trust Consultant(UTC), Institutional Unit Trust Advisers(IUTA), Corporate Unit Trust Advisers(CUTA) or directly from Unit Trust Management Company(UTMC) or online, but each has different sales charge and level of service. Choose the one that best suits your needs.
- 2) If you redeem your units in a unit trust fund and then purchase units in another, you will probably have to pay a sales charge. However, if you switch from one fund to another managed by the same UTMC, it is likely that you may not have to pay any sales charge. Ask about switching before you redeem.
- 3) Different types of unit trust funds carry different levels of risk. Some are higher in risk than others. Ask about the risks before investing in a fund. Make sure you know what your fund is investing in.
- 4) If you are a first time investor in a UTMC, you may be eligible for cooling-off rights, whereby you can change your mind within six (6) business days after investing and withdraw your unit trust investment. Ask about your eligibility for cooling-off.
- 5) Your UTC may represent a company that uses a nominee system and your rights as a unit holder may be limited if you invest in unit trust funds through it. If his or her company uses a nominee system, ask if your rights as a unit holder will be limited in any way.
